Frat Council Changes Rules Of Pledging

The formation of a new Supreme Council highlighted the recent revision of the fraternity pledging rules by the Inter-Fraternity Council. The Supreme Council will handle violations of pledging rules which the Inter-Fraternity Council agrees to hand over to it, thus providing for a more impartial judgment.

The new Council will consist of three or more fraternity members on the faculty who belong to fraternities not represented on this campus.

Under the new rules, a man whose pledgeship is relinquished shall be ineligible to be pledged to any other fraternity for two full semesters instead of for one year, as the old rules provided. This change was made because of the new program which allows three semesters in a college year instead of two.

To assure understanding of these rules by the prospective pledges, the new rules provide for a copy of the regulations to be given to each pledge at the time a pledge card is presented.

Nest Needs Help To Remain Open

"The Nest will close only when we are unable to get help," Miss Dorothy Buck, manager of the Student Union building, announced today.

Miss Buck stated that the limited service offered last weekend will be followed only if workers fail to volunteer for the coming weekend. She asked for volunteers "if only for one hour during the day."

Quarantine regulations took five of the six high school girls who were regularly employed at the Nest this summer. Miss Buck said that only two people volunteered their services. Students who had worked in the Nest filled in whatever time they could.

With the end of this semester, new workers must be found to replace those who will not return to school. The number of patrons will probably decrease according to Miss Buck, but in order that the V-12 students may be served more workers will be necessary.

Limited equipment has necessitated the cooperation of patrons in returning dishes and silver to the counter. Miss Buck explained that with only one girl at the fountain patrons must return dishes to the counter. If they are allowed to accumulate, fountain service must be suspended while the girl collects and washes dishes.

Miss Buck said that patrons have been cooperating fairly well. V-12's who, according to Navy regulations, are not allowed to work, have helped in picking up dishes and also in carrying in the soft drink cases. Miss Buck said that the regular mealtime patrons were the most cooperative in returning their dishes.

All candidates for graduation are expected to attend a meeting at 4 p.m. today in the auditorium for rehearsal of the commencement exercises.

Gets Degree

Dean Walter C. Weidler

Dean Walter C. Weidler of the School of Commerce at Ohio State University will receive one of two honorary degrees at summer commencement exercises Friday morning. The other doctor of laws degree will be conferred upon Judge Roy H. Williams of Toledo.

No Bee Gee News Published Next Week

There will be no issue of the Bee Gee News next week. Publication will be resumed the following week.

Anyone interested in trying out for the staff for the second eight weeks will be welcomed. An announcement of the first staff meeting for the second summer term will be placed in the Well next week.

Classes Begin Monday

Classes will convene Monday, August 23, beginning the second summer session. Most of the registration has been completed. Those who have not registered should do so early Monday morning.

Open House Held At Heinz Today

To commemorate its 30th anniversary the local Heinz factory is holding open house which will last through today.

Guests are invited to visit the plant during the day to see tomato processing, or in the evening from 8:15 to 10 to watch the packaging of army K rations.

Many students have been employed during past years for summer work, and this year many girls worked part-time on the K ration assembly lines.

Enrollment Of 500 Expected Next Term

The enrollment for the second eight weeks of the summer term will reach a total of 500, officials announced this week. This includes the V-12 unit, which will have approximately 350 students in training here. The remainder are civilians, a large number of which are the freshmen who entered in July.

There are 62 freshmen on the campus now, and several more plan to start in September. The rest of the students, numbering around 90, are mostly women, distributed evenly among the sophomore, junior and senior classes.

The enrollment for the second summer term is 300 less than it was for the first eight weeks.

Mrs. Kincaid Resigns; Smiths Are Successors

The Delta Gammas will lose their first housemother when Mrs. Pauline Kincaid leaves at the end of this eight weeks session. Mrs. Kincaid was the first house mother of the new Beta Mu chapter of Delta Gamma, coming in October of 1941 when the house was new.

Mrs. Elden T. Smith, wife of Professor Smith of the Speech department, has been appointed to fill the vacancy caused by Mrs. Kincaid's resignation.

Mrs. Smith is a member of Delta Gamma sorority and is the alumni adviser of the local chapter. She is a graduate of Ohio Wesleyan University.

Mrs. Kincaid plans to go from Bowling Green to the home of her daughter in Chicago, where she will remain until her plans are more definite.

A Mortor Board member, Mrs. Kincaid was one of the five original sponsors of Cap and Gown, local honorary organization for women. She also is a member of the Delta Gamma sorority.

Prof. and Mrs. Smith and children Cheryl and Hugh will move from their home on Ridge Street to the dormitory next week.

Women Students To Live In Williams, One Sorority House

The women students living on campus the next eight weeks will be housed in Williams Hall and the Delta Gamma House because of improvements being made in Shatzel Hall and the other sorority houses.

Many students will be living off campus the next eight weeks. In Williams Hall and the Delta Gamma House 110 rooms have been assigned.

Mrs. Hatfield will have charge of Williams Hall and Mrs. Elden T. Smith, newly appointed Delta Gamma housemother, will have charge of that dormitory for the remainder of the summer term.

The Williams Hall dining room will be used by all the women students on campus. The dining room has been enlarged and a new floor laid.

Low I. Q. At B. G. U., Names Reveal As Reporters Find Odd Monikers

If your name is either Smith or Brown you may be comforted to know that at last you are up with and past the Jones'. The records show that in the entire group of summer students, including the Navy and Marine V-12 students, there are nine Smith's, five Brown's and five Jones'.

There are a few names beginning with "I's" and absolutely no "Q's". Does that suggest that we're low on I.Q. here? . . . We do have an Eichenauer (Eisenhower), an Alexander, and a Marshall. Do you get the "General" idea? The shortest name is Leu

Two Honorary Degrees Will Be Conferred: Dr. Olsen Of Toledo To Deliver Address

Forty student degrees will be conferred at summer commencement exercises to be held in the auditorium at 10:15 a.m. Friday, the registrar's office announced today.

Dr. Arthur W. Olsen, S.T.B., minister of the First Unitarian Church in Toledo, will deliver the commencement address on the topic, "Realism in Your Post War World."

The honorary degree of Doctor of Laws will be conferred upon Walter Crother Weidler and Judge Roy Hughes Williams. In addition, the degree of Master of Arts will be conferred on four graduate students.

The indoor ceremony will begin with the traditional processional from the Recreation Hall to the Auditorium with the faculty wearing the customary caps and gowns. At the close of the ceremony there will be a recessional.

Confers Degrees

President Frank J. Prout will confer degrees on 40 students Friday morning at commencement exercises.

Smith, Helms Named For Advisory Posts

Two new members have been appointed to the Advisory Committee by Dr. Frank J. Prout.

Dr. S. H. Lowrie's term has expired and Miss Grace Wills has resigned from the faculty thus creating the two vacancies. Prof. Elden T. Smith has been appointed to the three-year vacancy and Dr. Lloyd Helms for the two-year vacancy.

Dr. Paul Leedy is the remaining member of the advisory staff and serves as chairman. The committee serves as a link between the administration and the faculty.

Howard Martin, marine private, will sing Malotte's "The Lord's Prayer", and Dr. James Paul Kennedy will play the organ processional. The Rev. F. Elwyn Peace, pastor of the First Christian Church, will offer the invocation.

Dean Weidler, a former member of the Tulane University faculty, has been a member of the faculty at Ohio State for many years and he has been dean of the School of Commerce since 1929. He holds degrees of bachelor of arts and master of arts from Ohio State University. He is well known as an author and a leader in the field of education for business.

Judge Williams, a resident of Erie County, was graduated from the University of Michigan Law School in 1897. He has served as judge of the court of common pleas of Erie County, sixth district judge of the court of appeals, and is now judge in the Supreme Court of Ohio. He is well known for his work with unfortunate children.

Following is a list of candidates for degrees:

Bachelor of Science in Education
Ruth Esther Baer, Mansfield; Mrs. Mark Baker, Marion; Margaret Turley Beard, Monclova; V. Paul Beard, Monclova; Esther Behrens, Belmore; Helen Pauline Behrens, Belmore; Bonna Buck, Fostoria; Susan Busch, Sandusky; Wanda Mae Christy, Defiance; Nora H. Droege, Painesville; Marjorie Mary Fitkin, Sylvania.

We appreciate it

We would like to thank the students who take part in the extra curricular activities on the campus. Especially we want to thank the Military Ball committees and the Navines. Certainly the performances of the band and the success of the Military Ball warrant this praise.

Many students fail to realize the work and sacrifice that is behind activities of this sort. Particularly is this true with V-12 students. Now with calculus, physics, heat power, and such work to claim their time it means these committees and entertainers must give up their few precious liberty hours for this outside work that too often goes unrewarded.

FALCONS HAVE ADMIRER

From the Public Relations Office at the Naval Training Center, Farragut, Idaho, at which Y/3c Paul Jones, B.G.'s publicity man on leave is stationed, comes this item.

A recruit at this U. S. Naval Training Center likes the falcon, the bird for which Bowling Green State University athletic teams are named.

"The falcon is the most vicious bird. However, it also is the easiest to train," commented John D. Corbatt, 18, apprentice seaman of Yakima, Wash.

Instead of the owl, the falcon is the "wise old bird." He has made a study of both and says "the owl is really an over-rated, stupid bird that can hardly even be taught recognition."

EARLY YULE GIFT

The distinction of being the first serviceman to receive his Christmas gifts this year may go to James R. Hutchinson, yeoman 1st class, of Toledo, but the parcel handed him recently at Norfolk, Va. was mailed by his father in Sept. 1942.

He was in a base hospital in the Solomons two years ago when the gifts were mailed early to avoid the holiday rush.

DECORATIONS RECEIVED

Lieut. David Silver, x'42, navy pilot of a Ventura bomber was awarded the Distinguished Flying Cross and an Oak Leaf Cluster recently at Boca Chica air field, Florida, where he is now stationed. A citation, signed by Adm. Chester W. Nimitz, stated the awards were for a night attack on Nauri Island Dec. 28. He also wears the Air Medal.

RECEIVES COMMISSION

Donald R. Harris, x'44, was commissioned a naval ensign at Northwestern University recently.

FURLOUGH VISIT

Maj. Fred Graf, x'41, has arrived at his home here in B.G. on leave from the Pacific theater. He has seen two years of service overseas with the 37th Division.

2nd Lieut. Warren W. Ransler, x'42, was on campus during the weekend. He had just received his 2nd Lieut. rating as a bombardier at Midland Field, Texas and was on his way east to Virginia for further training in a specialized field of bombing.

WOUNDED IN ACTION

Lt. A. A. (Tony) Frances, '41, of the Marine Corps, was wounded on Aug. 5 during the battle for Guam. He was injured in the legs and is now in an island hospital.

AMERICAN HEROES

BY LEFF

Hyman Epstein knew that after wounding a man the Japs around Sanananda were withholding their fire, using the injured soldier for bait until unarmed medical aides like himself came into range. Yet again and again he crept out under sniper fire to rescue wounded comrades until at last the Japs got him. "That kid was the best," his commander said of determined little Hyman Epstein. "Feather Merchants"

By P. B.

Max Schulman, author of "Barefoot Boy With Cheek," has written a new satire, "The Feather Merchants," which is about civilians. This book, the first one written by a soldier about civilians, is not amusing—it's a downright riot.

Sgt. Dan Miller, otherwise known as Danny Boy Miller or Hot Dan, comes home for a happy furlough and is assailed by thousands of feather merchants (G.I. for civilians) who turn him overnight from a simple desk soldier to a war bond hero.

Mama and Papa, a couple of fine law abiding, black market, war-minded citizens, try to fatten our hero and show him respectively how to win the war. Esterlee McCracken, his hero worshipping fiancée, ignores him until she discovers he is a hero, then she wiggles her toes enticingly.

Sam Wye, Dan's boyhood friend, is on his last furlough before going overseas, and is up to his usual inhuman practical jokes at the expense of poor Dan.

This book tells of the soldier's visit to his campus, the report from the woman's club, the fishing trip, and other unrelated incidents. Civilians get it on the chin but it's good for some chuckles. In his matter-of-fact way Schulman goes off on some of the squirreliest tangents ever written.

If you don't have an open-minded sense of humor, don't read it.

Scrimmaging Resumes Momentum In Prep For Central Michigan

Practice sessions were greatly hampered last week, but with the restriction lifted this week, the squad has been scrimmaging for the opening game with Central Michigan a week from this Friday.

Coach Whittaker has begun to think in terms of a first team, as a tentative starting combination has been running through the plays for the opening game. Central Michigan is not expected to be too tough a foe, but Miami, with a wealth of material, should offer plenty of opposition the following week end.

Storekeeper 2/c Edward Wagner and fireman 2/c Raymond Price have been transferred from the local V-12 unit to duty elsewhere.

Mr. Wagner, from Crestline, Ohio, has served as storekeeper here since June 1943 and will leave the first part of September for fleet duty under the exchange program. This program provides exchange of men who have been serving in non-combat duty with men who have been in combat duty. He is on leave at present.

Mr. Price was sent to Great Lakes after serving here since November 1943. He served as assistant storekeeper and worked in the navy office.

B.G. Baseball Season Ends With 20 Wins

The Bowling Green baseball team has finished one of the most successful seasons in the history of the University. During the spring and summer seasons the Falcons, led by Coach Warren Steller, won 20 and lost only three games.

The nine started out by losing the first game to Ohio Wesleyan, but this was no indication of what was to follow as the Falcons won the next eight straight; bowling over Wesleyan, Oberlin twice, Camp Perry twice, Denison twice, and Toledo Naval Training Station.

Then Ohio Wesleyan came along and defeated the locals again. Bee Gee then came back to defeat Wesleyan and start another winning streak which reached a total of 12 games. After disposing of Wesleyan the Falcons took two from Baldwin-Wallace, one from the Toledo Navy, two from Denison, one from Toledo Old Dutch, one from Toledo Auto Lite, one from Zedlitz Meats, and one from Spieers. Bowling Green lost the final game of the season to Camp Perry.

Much of the credit for this season's accomplishment must go to the Falcons' ace right-hander, Al DiMarco. He won 12 straight games, losing only to Camp Perry when he appeared in a relief role in the last game of the season.

The team will miss DiMarco next year as it will miss Howard Martin, Jim Bloomfield, John Jeremiah, Ed Conley, and Jim Woods. At the close of the spring season Bee Gee lost Aeschliman, Urban, Kuhlman, and Zaudtke.

"Papa Is All" Scores Big Hit, Reviewer Praises Cast-Director

By Aurelia Christea

The University Players production of Patterson Greene's play "Papa Is All" scored a tremendous hit when presented here Thursday and Saturday of last week.

This first play of the summer season was received enthusiastically and genuinely applauded by the audience both nights. The entire atmosphere prevailing throughout the performance was one of expectancy and good humor. All doubts as to the interest-holding possibility of "Papa Is All" vanished as soon as the first several lines of the play were spoken.

Considered by many of the most professionally executed performances currently witnessed by campus audiences here, "Papa Is All" displayed a cast which made the play. All of the six players were suited to the individual roles, and could not have been better selected.

Leo Hartig, as Papa Aukamp, shadowed the play with the dominance of the old Mennonite father who ruled his household with an iron hand. He was able to give the role of Papa the brusque quality and the severity which was needed to make it a dominant in-

fluence. Quite notable too was the excellent manner in which Mr. Hartig handled Papa's club foot.

Myrtle Brickman, as Mama Aukamp, fitted perfectly into the role of the very subdued wife of Papa, who acknowledged his right to be master of his home. Her innocent doubts and suspicions, her genuine interest in her children, her deceptions before Papa, won the heart of her audiences. The life and wit which she put into the role of the Mennonite mother added another outstanding performance.

The roles of the two children of the family, Emma Aukamp and Jake Aukamp, taken by Betty Zimmerman and Robert Marotz, again showed an excellent selection of characters. Betty Zimmerman filled her role with high emotional acting, comparable to if not exceeding that given the same role presented by professional actors.

Bob Marotz, whose portrayal of Jake, seemed the most natural, won the hearts of his audiences. His actions, voice quality and frightened aspects shadowed with sudden desires to be brave, were part of an excellent portrayal which made Jake steal audience hearts with his spoken lines.

Mrs. Yoder, the comic of the play, portrayed by Eulalia Moellman was one of the most difficult yet exceptionally well done roles. The mannerisms and comic features of this typical busy body kept the audience in laughter each time she appeared.

Joe Shoemaker as Trooper Brendle was every inch the state trooper and added dignity of the law. Members of the University audience voiced their opinions that it was "one of the best-acted plays produced here."

Presiding over the office of the University hospital is Lt. (j.g.) R. O. Burry, a graduate of the Western Reserve Medical School class of '42.

But the doctor has not always aspired to administer to aches and pains; he started out to become a chemical engineer and worked at the National Carbon Company in Cleveland.

After graduation from Western Reserve Lt. Burry engaged in surgical work in Cleveland until he was commissioned in the navy in March 1944. His first naval training was at Great Lakes.

He arrived in Bowling Green July 21 and met sick call the next morning. He averages a number of 15 on sick call and four or five hospitalized patients each day.

The doctor has no jurisdiction over civilian students, but since there is now no other doctor here, he has become an ex officio member of the staff and usually finds time, during even his busiest days, to look in on all students who have found their way to the hospital.

His chief hobby, a miniature railroad, has become one of those casualties which are out for the duration or until the Lieutenant returns to civilian life. It is much too large and complicated to follow him.

Mrs. Burry arrived in Bowling Green last Sunday. They will take up their residence on North Church street after September 1.

Opinions Differs On Speed-Up Of School Year

Opinions pro and con were expressed by an official of the University and several students in regard to the eight week schedule this summer. There was a definite division on the amount of work required and upon who was the most benefited.

Dean Ralph G. Harshman, acting registrar—"The program has worked out very satisfactorily. The larger number of students this summer augurs well for this schedule. The 150 students in the second eight weeks term are really interested in an accelerated program."

"Whether we will continue it next year depends largely upon the Navy program. In any case the summer session will probably remain eight weeks instead of the previous ten. It fits into the semester scheme much better."

Norman Knisley, senior, Delmar, N. Y.—"The eight weeks term does not give enough time to ponder the material, particularly that of the meaty 400 courses. You retain the material from exam to exam, but that's about all. I do, however, really appreciate getting through sooner."

Dick Merrill, sophomore, Holland, O.—"The concentration is good, especially in junior and senior subjects. Many sophomores and second-semester frosh are taking these advanced courses and they benefit too."

Micky Street, senior, Cincinnati—"Concentrating on a few subjects is better; Hiram College is on this plan regularly. I don't think it makes any difference whether you are studying history or sciences, or whether the class is large or small."

Lowell Blumh, freshman, Sandusky—"You just take an eight week course in accounting, and you'll know my answer."

Hal Potts, sophomore, Fostoria—"It is definitely advantageous. Most students don't work enough in the 16 week courses. In eight weeks the concentration of material and the daily class meetings are a stimulus to study. You can't put it off 'until tomorrow' or you get behind."

Virginia McCartney, senior, Chicago—"The concentration is good, except in those subjects you have

Along Fraternity Row

Alpha Chi Omega

The Alpha Chi Omega House was filled to capacity over the week end. Among the guests were Helen Panasuk, Sorority President; Velma Bischer, and Martha Connelly. A dinner party was given Friday night at the chapter house, the last social affair until the house reopens in November.

Delta Gamma

Weekend visitors at the Delta Gamma House were Olga Sonkoly and Jean Smith, both of Elyria.

Phi Kappa

Phi Kappa Sorority entertained a group of their alumni at a tea Sunday, August 20. The tea was held in the chapter house, with Vivian Gustafson, Leviathan Huff, and Betty Segrist in charge.

Pi Kappa Alpha

A smoker was held last night in place of the regular Pi Kappa Alpha Fraternity meeting. The pledge class under the leadership of Warren Cougar will be initiated soon. The fraternity is planning a picnic for the near future.

Alpha Tau Omega

Thirty University men attended the smoker held recently in the Faculty Room of the Nest by the Epsilon Kappa chapter of Alpha Tau Omega.

Beta Gamma Upsilon

A smoker, sponsored by Beta Gamma Upsilon Fraternity, was held Wednesday evening from seven to nine in the Faculty Room of the Nest. Twenty-five members and guests were present. Card games and bingo were played and Cla-Zel theater passes were given as prizes. Advisor Samuel Woolsey gave a short history of Beta Gamma Upsilon, and this was followed by a mandolin solo by Clayton McDole. A movie, in color, of scenes in Canada was then shown by Art Williams. The smoker was closed with a short prayer by Chaplain Earl Beck.
